## TERMS OF SUBSCRIPTION.

---

MEMORANDUM of the Agreement between The Mercantile Agency, on the one part, and the undersigned, Subscribers to the said Agency, on the other part, viz.:

The said MERCANTILE AGENCY are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has been, and shall be, obtained and communicated by agents of different classes, servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said MERCANTILE AGENCY. The said information to be communicated by the said MERCANTILE AGENCY in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written or printed information communicated to us, or to such confidential clerk as may be authorized by us to receive the same, and all use of The Reference Book hereinafter named, shall be strictly confidential, and shall never, under any circumstances, be communicated to any person outside of our establishment, but shall be exclusively confined to the business of the same.

2. Neither the actual verity nor the correctness of the said information is in any manner guaranteed by the said MERCANTILE AGENCY. The said MERCANTILE AGENCY shall not be responsible for any loss caused by the neglect, unfaithfulness, or misconduct of any agent, servant, attorney, clerk or employé, in procuring, collecting and communicating, or in failing to communicate the said information. The action of said Agency being of necessity almost entirely confidential in all its departments and details, the said MERCANTILE AGENCY shall never, under any circumstances, be required by the subscriber to disclose the name of any agent, servant, clerk, attorney or employé or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said MERCANTILE AGENCY are hereby requested to place in our keeping, for our exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of such business men, in such States as may be agreed upon, prepared by

them, or the agents, servants, clerks, attorneys and employés aforesaid. We agree that upon the delivery to us of any subsequent edition of The Reference Book, the one now placed in our hands shall be surrendered to them, and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be delivered by us to the said MERCANTILE AGENCY, it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said MERCANTILE AGENCY.

4. We will pay in advance Dollars,  
for one year's services, from date hereof, of said MERCANTILE AGENCY together with the use of said Reference Book, pursuant to the foregoing conditions; and, subject always to the conditions and obligations above-mentioned, the same sum annually thereafter, in advance, unless within ten days after the commencement of any subscription year, we notify the said MERCANTILE AGENCY in writing to the contrary. It is fully understood and agreed that the contract between said parties is fully and entirely expressed hereby, and that there is no parol or verbal contract, agreement, or understanding of any kind, whereby the terms hereof are, or can be changed, varied, modified or explained in any manner whatever.

5. THE MERCANTILE AGENCY are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

6. If the inquiries for detailed reports on this contract shall exceed in number, the excess we agree to pay for at the rate of thirty-three and one-third dollars per hundred.

7. The conditions and obligations of this agreement are understood by the Subscriber to apply from the time of signing this contract, and to all information or books furnished to said Subscriber after that time.

# COLLECTION AND ASSIGNMENT LAWS IN ONTARIO.

(Compiled by Beatty, Blackstock, Nesbitt & Chadwick, Toronto, Ontario.)

**Actions.**—All actions are brought in the High Court of Justice, the Exchequer Court, County Courts or the Division Courts.

**Division Courts.**—There are not less than three or more than twelve in each county; one at least of such courts being in each city or county towns. Each court has frequent sittings.

**Jurisdiction of Division Courts:**—(1) All personal actions where the amount claimed does not exceed the sum of \$60; (2) all claims and demands of debt, account or breach of contract or covenant or money demand, whether payable in money or otherwise, where the amount or balance claimed does not exceed \$100; (3) all claims for the recovery of a debt or money demand, the amount or balance of which does not exceed \$200, and the amount or original amount of the claim is ascertained by the signature of the defendant or of the person whom, as executor or administrator, the defendant represents. (R. S. O., 1887, Cap. 51.) There is no jurisdiction where the title to lands and certain actions of tort are involved.

**County Courts.**—There is a County Court in each county which is a court of record, and speaking generally has jurisdiction: (1) in all personal actions where the amount claimed does not exceed the sum of \$200; (2) in all cases relating to debt, covenant and contract to \$400 where the amount is liquidated or ascertained by the act of the parties or by the signature of the defendant. This court has no jurisdiction in regard to titles to land and certain personal actions such as slander, &c. (See R. S. O., 1887, Cap. 47.)

**High Court.**—The High Court of Justice is composed of three divisions: the Queen's Bench, Common Pleas and Chancery Division, the jurisdiction and the practice being the same in each, and the jurisdiction being practically unlimited.

**The Exchequer Court.**—The Exchequer Court has jurisdiction in all cases in which it is sought to enforce any law of Canada relating to the revenue, and generally speaking, in all suits of a civil nature in which the Crown in the interest of the Dominion is concerned. It is frequently resorted to in copyright and patent cases, as the judgment of the Exchequer Court is binding in all parts of the Dominion. The sittings of the court are fixed in any part of the Province whenever a case is ripe for trial. There is an appeal from the decision of the Exchequer Court to the Supreme Court of Canada.

**Appeals.**—There is an appeal to the Court of Appeal for Ontario in Division Court cases where the amount at stake exceeds \$100 also in all County Court and Superior Court cases. Where, however, the amount involved is under \$500, leave to appeal has usually to be obtained. There is an appeal from the Court of Appeal for Ontario to the Supreme Court of Canada.

**Aliens.**—Aliens may take, hold and dispose of real and personal property as freely as natural born subjects. Naturalization is easily obtained.

**Arrest and Imprisonment for Debt.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor by affidavit of himself or other person shows to the satisfaction of a judge that he has a cause of action to the amount of \$100 and upwards, and that there is reasonable and probable cause to believe that the debtor is, unless forth with apprehended, about to quit Ontario with intent to defraud his creditors, the judge may grant an order for the arrest of the debtor, who thereupon may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in an order. (See R. S. O., Cap. 67, also Ontario Judicature Act, rule 1045 *et seq.*) Under the criminal code every one is guilty of an indictable offence and liable to a fine of \$800, and to one year's imprisonment who: (a) with intent to defraud his creditors or any of them (1) makes or causes to be made any gift, conveyance, assignment, sale, transfer or delivery of his property; (2) removes, conceals or disposes of any of his property; or (b) with the intent that anyone shall so defraud his creditors or any one of them receives any such property. Also everyone is guilty of an indictable offence and liable to ten years imprisonment, who, with intent to defraud his creditors or any of them, destroys, alters, mutilates or falsifies any of his books, papers, writings or securities, or makes, or is privy to the making of any false or fraudulent entry in any book of account or other document. (See Criminal Code of Canada, 1892, sec. 368 and 369.) Promoters, directors or managers of public companies or bodies corporate who make, publish or circulate, or concur in the making or publishing of any prospectus, statement or account which they know to be false in any material part, with the intent to induce persons to become shareholders or to deceive the members or shareholders, are guilty of an indictable offence and liable to seven years imprisonment. (See Criminal Code of Canada, 1892, Sec. 364 and 365.) The Criminal Code also contains stringent provisions for the punishment of clerks or servants, who, with intent to defraud, destroy, alter or falsify books, documents or valuable securities belonging to their employers. There are also numerous sections providing for the punishment of persons for such offences as the concealing of deeds or incumbrances, the false registration of titles to lands, fraudulent sales and hypothecations, the giving of false warehouse receipts, the wilfully parting by warehousemen with goods or property covered by warehouse receipts, and other matters having special relation to trade and commerce.

**Assignments.**—There is no insolvency law in force in the Dominion of Canada, and no means is provided by law, by which a debtor can be compelled to execute an assignment for the benefit of creditors. A debtor may, however, make a voluntary assignment. Such assignment must provide for the paying rateably and proportionately and without preference or priority of all creditors of the debtor their just debts. Assignments for the

benefit of creditors are made: (1) to the sheriff of the county in which the debtor resides or carries on business; (2) or with the consent of a majority of the creditors having claims of \$100 and upwards, to a person resident in Ontario other than the sheriff. In case an assignment is made to a person other than the sheriff, and without the prescribed consent of creditors, such assignment shall be void as against a subsequent assignment made in conformity with the Act. An assignment for the general benefit of creditors takes precedence of all judgments and of all executions not completely executed by payment. "The Act respecting assignments and preference by insolvent persons" (R. S. O., Cap. 124) makes full provision in regard to proof of creditors' claims, meetings of creditors, valuing of securities, &c. At any meeting of creditors all questions discussed at the meeting shall be decided by a majority of votes of the creditors present in person or by proxy authorized in writing, and the votes of creditors shall be circulated as follows: For every claim of or over \$100 and not exceeding \$500, one vote, for every claim of or over \$200 and not exceeding \$500, two votes; for every claim of or over \$500 and not exceeding \$1,000, three votes; for every additional \$1,000, or fraction thereof, one vote. Every creditor in his proof of claim shall state whether he holds any security for his claim or any part thereof, and if such security is on the estate of the debtor or on the estate of a third party for whom such debtor is only secondarily liable he shall value the same in the manner mentioned in the Act. Claim must be proved by affidavit and vouchers must be furnished. A creditor holding a claim not accrued may prove and vote. Interest is to be deducted in fixing the amount of such claim. The law of set-off applies to claims against the estate. Employees are paid three months' wages in priority to other claims. A landlord has a preferential lien for one year's rent prior to the date of assignment.

**Attachments.**—Attachments may issue in the case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit of real or personal property, credits or effects not exempt by law from seizure. The full practice is set out in R. S. O., Cap. 68 also see Ontario Judicature Act, Rule 1889 *et seq.* All creditors who place attachments in the sheriff's hands within six months from the date of the first writ share *pro rata* with the attaching creditor. In the Division Court all creditors of the same class with the plaintiff share *pro rata*, if within one month after the issue of the first attachment they give notice of their claims to the Clerk of the Division Court, out of which the first attachment issued, or in which it is made returnable.

**Bills of Exchange and Promissory Notes.**—Demand notes and bills are payable without days of grace. On sight and time notes and bills three days' grace are allowed. If the third day is a Sunday or other legal holiday the note or bill is payable on the next judicial day. The legal holidays are Sunday, New Year's Day, Good Friday, Easter Monday, Christmas Day, the birthday (or the day fixed for the celebration of the birthday) of the reigning sovereign, Dominion Day (1st July) or if that day be a Sunday (the 2d July); any day appointed by proclamation for a public holiday, or for a general fast or a general thanksgiving throughout Canada, and the day next following New Year's Day and Christmas Day when those days respectively fall on Sunday. The ac-

ceptance of a bill must be written on the bill and be signed by the drawee. The mere signature of the drawee without additional words is sufficient. (53 Vic. Statutes of Canada for 1890.) Interest does not commence to run until after maturity unless bill or note is expressed to be payable with interest. If the note provides for payment of interest from its date at a rate exceeding legal rate (6 per cent.) "until paid," such words are not sufficient to entitle the holder to interest beyond legal rate after maturity of note. In order to entitle a holder to interest at the rate stipulated for, more express words would have to be inserted, as the law presumes payment at maturity.

**Chattel Mortgages and Bills of Sale.**—All mortgages or conveyances of personal property are void as against creditors and subsequent purchasers or mortgagees in good faith for valuable consideration, if not accompanied by an immediate delivery and followed by an actual and continued change of possession of the goods mortgaged or sold, unless registered in the office of the clerk of the county court within five days from the execution thereof, together with an affidavit of such execution by a subscribing witness, and an affidavit of the mortgagee or purchaser, or his agent, as to the bona fides of the mortgage or bill of sale. Within thirty days next preceding the term of one year from the filing of the mortgage a statement exhibiting the mortgagee's interest in the property and showing the amount still due for principal and interest and all payments on account thereof, and an affidavit of the mortgagee that such statement is true and that the mortgage has not been kept on foot for any fraudulent purpose, must be filed in the clerk's office: the mortgage will be void as against creditors and subsequent purchasers or mortgagees in good faith. A similar statement is thereafter to be filed yearly. An agent may be authorized generally to take and renew all or any mortgages. It has been held by the judicial committee of the privy council that warehouse receipts taken by a bank pursuant to the provisions of the banking act, statute of Canada 1890, Cap. 31, need not be registered. It would therefore be advisable in taking a chattel mortgage to make specific inquiries of the mortgagor as to the existence of warehouse receipts or conditional sale notes. In the event of false answers being given to such inquiries, the mortgagor would bring himself within the provisions of the criminal code, section 373.

**Conditional Sales.**—Receipt notes, hire receipts, etc., in the case of manufactured goods or chattels, where the possession of the chattel passes without the ownership being acquired by bailee until payment of purchase money or some stipulated part thereof, are only valid as against subsequent purchasers or mortgagees without notice when name and address of manufacturer, bailor or vendor are plainly attached. (51 Vic. Chapter 19, Section 1, Ont.) The above does not apply to household furniture, but pianos, organs or other musical instruments are not included in the term of "household furniture." It also does not apply where a copy of receipt note or hire receipt is filed with the clerk of the County Court within ten days from its execution. A manufacturer, bailor or vendor is to leave a copy of the receipt note or hire receipt with the bailee at the time of its execution or within twenty days thereafter. In an agreement for the sale of merchandise to a trader for the purpose of re-sale in the course of business in which possession passes to the trader but not the absolute ownership until the consideration is satisfied, any such pro-

vision as to ownership is void as against creditors or purchasers unless the agreement is in writing and such writing is filed within five days after the delivery of the goods. Such an agreement, though signed and filed, does not affect purchases from the trader in the usual course of his business (55 Vic. Cap. 26, Section 5, Ont.) The above Act, 55 Victoria, Cap. 26, is not intended to affect the case of manufactured goods or chattels provided for by the Act respecting conditional sales of chattels. A manufacturer, bailor or vendor of chattels under the Act cannot be defeated in his right to property within the meaning of the Act by the bailee or vendee annexing a chattel to realty so as in all other respects to make the chattel part of the realty. If the intention has been shown to treat an article as a chattel, a bailee cannot by annexing such chattel alter its character. Generally speaking, a sale of fixtures is a sale of chattels, even fixtures such as a vendor must have known must become part of the building retain their chattel character in favor of vendor who retained right of property in the fixtures. See also Chattel Mortgages and Bills of Sale.

**Executions.**—Execution may be issued against the goods and lands of the debtor as soon as judgment is recovered. Writs of execution remain in force for a period of three years, unless satisfied in the meantime or withdrawn by the party at whose instance they were issued. All executions in the sheriff's hands share *pro rata*. Under the Creditors Relief Act, if a debtor permits an execution under which a seizure has been made by the sheriff to remain unsatisfied for twenty days after the seizure, or until within two days of the time fixed for sale, or allows an execution against lands to remain unsatisfied for nine months after it is placed in the sheriff's hands, creditors in respect of other claims may proceed in a summary manner in the County Court and obtain certificates entitling them to share in whatever is made under the executions of creditors in the sheriff's hands. In order to entitle creditors to share in any moneys realized by the sheriff, their executions or certificates must be lodged with the sheriff within one month from the date of the levy by the sheriff. For full practice see R. S. O., 1887, Cap. 65. Stocks, moneys, securities, leasehold interests, equities of redemption, &c., &c., may be sold, but it has been recently held that equities of redemption in shares of a company cannot be sold. The proper course in order to realize upon such equities, is, to apply for a receiver.

**Exemptions.**—The exemptions from execution are, speaking generally, the beds and bedding in ordinary use by the debtor and his family, necessary wearing apparel, and a list of domestic utensils necessarily incident to living, not to exceed in value the sum of \$150; (2) necessary provender for thirty days not to exceed in value the sum of \$40; (3) A cow, six sheep, four hogs and twelve hens, in all not to exceed the value of \$75; (4) tools and implements ordinarily used in the debtor's occupation to the value of \$100, or the debtor may elect to receive the proceeds of the sale of such to ls. &c., up to \$100; (5) fifteen hives of bees. The debtor may select the several chattels exempt from seizure. In the case of 2, 3, 4 and 5, the exemption does not apply when the debt is contracted for the identical chattels (See R. S. O., 1887, 64.) Under the Free Grants and Homesteads Act there is an exemption from liability for any debt incurred before the issue of the patent, and for twenty years from the date of location, except where the land itself is mortgaged, or pledged, or for

the payment of taxes. (See R. S. O., 1887, Cap. 25.)

**Foreign Corporations.**—Except in the case of insurance corporations which cannot do business in Ontario unless registered here (Insurance Corporations Act 1892) there is no statute prohibiting the making of contracts or the bringing of actions by foreign corporations in Ontario. The law may be stated to be that a foreign corporation can maintain an action here for a debt due to it by a person in Ontario or for breach in Ontario of a contract whether made in Ontario through an agent of the corporation or in the domicile of the corporation, provided the contract is one which the corporation could validly make under the law of the country in which it is incorporated. Foreign corporations may be sued in Ontario under circumstances corresponding to those under which they may sue. Foreign corporations like foreign individuals, may (so long as they do not exceed their corporate powers) hold property in Ontario.

**Holidays.**—See Bills of Exchange and Promissory Notes.

**Interest.** Six per cent. is the legal rate of interest, but as there is no law against usury parties may contract for any rate they see fit. Interest may be allowed in the discretion of the court upon open accounts, from the time when a demand of payment is made in writing informing the debtor that interest will be claimed from the date of the demand. (See Bills and Notes.)

**Judgments.**—Judgments do not bind the property of debtors until execution is issued and lodged with the sheriff. A judgment remains in force for twenty years. A writ of execution may be issued within any time within six years from the date of judgment without leave, and after that time leave must be obtained from the Court. Judgment debtors, their clerks or employees, or former clerks or employees, or any person or persons to whom they have made a transfer of their property since the debt or liability which was the subject of the action was incurred, may be examined as to the debtor's property.

**Limitations.**—All actions upon bills of exchange and promissory notes; also actions for the price of goods sold and delivered, and generally all actions arising out of the breach of simple contracts must be brought within six years from the time when the right of action accrued. Actions for rent upon an indenture of demise and actions upon a bond or other specialty (except upon covenants contained in an indenture of mortgage) within twenty years after the cause of such actions arose. Actions upon any covenant contained in an indenture of mortgage made after the 1st of July, 1894, within ten years after the cause of such actions arose.

**Married Women.**—A married woman is capable of acquiring, holding and disposing by will or otherwise, of any real or personal property as her separate property in the same manner as if she were a *feme sole* without the intervention of any trustee. A woman who, while single, contracts debts or renders herself liable for tort, remains liable for such debts or torts after marriage. Her husband is also liable for them to the extent of any property he may have received through his wife, and where so liable he may be sued alone or jointly with her. All contracts made by a married woman are *prima facie* deemed to be made in respect of her separate estate, and unless proved not to have been made with respect to such estate, will bind all separate property owned by her at the date of the contract or subsequently acquired. In order to obtain judgment against a married woman upon her contract, it is necessary to

prove not only the contract and breach thereof, but also to show that she was at the date of the contract possessed of separate estate. Then unless she can show such circumstances as rebut the inference that her contract was made with reference to her separate property, judgment may be obtained against the married woman in respect of all separate property which she possesses at the time of the judgment or may subsequently acquire. A married woman has the same remedies for protection of her separate property as are possessed by a *feme sole*. She may in certain cases e. g. if deserted by her husband, obtain an order for the protection of the earnings of her minor children. She is exempt from the provisions of the acts respecting arrests for debts. (R. S. O., Cap. 67.) A married woman is entitled to dower in all lands of which her husband was seized in fee simple during marriage, and all lands to which he was beneficially entitled at the time of his decease. The above does not apply to lands in a wholly unimproved state which have been conveyed by the husband during his lifetime, nor, of course, to lands conveyed by the husband in which the wife has barred her dower. Even if under the age of twenty-one years she may join to bar dower in case of a sale for value or mortgage, and she may also by deed, release her dower to any person to whom the lands have been previously conveyed. (R. S. O., Cap. 132, Ontario Statutes, 1894, Cap. 41.)

**Mechanics' Liens.**—Every mechanic, builder, miner, laborer or other person doing work upon or furnishing material to be used in erecting, furnishing, etc., any building or mine or placing machines, etc., therein, has a lien upon the building or mine for the value of the work done and materials, etc., furnished, provided that the work was done at the request or with the consent of the owner or some one having an interest in the property. The lien binds only the interest of the person at whose instance or with whose consent the work was done or the materials, etc., were furnished. A person, however small his interest, who procures work to be done or materials to be furnished renders his interest subject to the lien, but cannot bind the interest of any other person in the property unless the circumstances are such as to show that the work done was with the "privity" (not merely the knowledge) of such other person. A person may waive his right to a lien by express written agreement. A mechanic, laborer or person performing labor for wages upon the construction, alteration, etc., of the building or in connection with placing of machinery, etc., in any building, erection or mine, has a lien for such wages not exceeding thirty days wages. All persons employed by or furnishing materials to a person entitled to a lien, may, provided their work was done or their materials furnished in respect of the subject of such lien, give notice of their claim to the owner within thirty days and then acquire a charge on the money payable to the lien holder by the owner. Liens must be registered within thirty days after the completion of the work, or the supplying or placing of the materials, etc., or within thirty days after the last day's labor for which the wages are payable. The lien may, however, be registered before the completion of the work, and the safer course is to register the lien at once, as in case the owner should dispose of the property to a purchaser for value without notice, the lien holder would not be in a position to enforce his lien as against such purchaser. A lien not registered within thirty days ceases to exist, unless proceedings are taken before that time to enforce it, and

the certificate of such proceedings is registered. Although the lien has been duly registered it shall cease to exist after the expiration of ninety days after the work has been completed or materials or machinery furnished or wages earned or the expiration of the period of credit (where such period is mentioned in the claim of lien filed) unless in the meantime proceedings are instituted to realize the claim and a certificate thereof registered. Registration has no effect after six months unless renewed or unless proceedings are taken in the meantime to enforce the lien. The full practice is set out in the Statutes and there are provisions by which lien holders obtain the benefit of any proceedings instituted by other lien holders of the same class. (R. S. O., Cap. 126, Statute Ontario) 1890, Cap. 37, Statute (Ontario) 1893, Cap. 24.)

**Partnerships.**—All persons associated in partnership for trading, manufacturing or mining purposes are required to register within six months after the formation of the partnership in the registration division in which they carry on business, a declaration setting forth their names and addresses and the firm name, &c. (See form given by the act.) A similar declaration must be registered on a change in the partnership, and a declaration of any dissolution of partnership must also be registered. Allegations in the declaration are not controvertible as against any person by any person who has signed same. Persons signing the declaration are to be deemed partners until a new declaration is filed. Every person carrying on business under a firm name or in a name other than his own is also required to file a declaration setting forth this fact. Penalties are provided for the non-compliance with the statute. An employer may by agreement allow an employee a share in the profits of his business in lieu of or in addition to his salary, and such agreement shall not create any relation in the nature of partnership or entitle the employee to call for an account, and any statement by the employer of the net profits of any such business by which he appropriates the share payable under such agreement shall be final and conclusive between the parties. (R. S. O., Chap. 130.)

**Limited Partnerships.**—Two or more persons may form a limited partnership consisting of one or more general partners and one or more special partners; the latter contributing in actual cash payments a specific sum to the common stock and being liable for partnership debts only to the extent of such contribution. The general partners alone are authorized to carry on the business, and any special partner who transacts any business on account of the partnership or acts as agent, attorney, etc., for the partnership, becomes liable as a general partner. A special partner may, however, from time to time examine into the partnership concerns and advise as to management. In case of insolvency of the firm a special partner is not allowed to claim as a creditor until the claims of all other creditors of the partnership have been satisfied. During the continuance of the partnership a special partner cannot withdraw any part of the sum contributed by him to the capital stock of the partnership. He may, however, receive annual interest on the sum contributed by him, provided the payment of such interest does not diminish the amount of capital. The partnership is formed by the recording of a certificate setting out: (1) The firm name; (2) the general nature of the business intended to be transacted; (3) the names and addresses of all the partners distinguishing general from

special partners; (4) the amount of stock subscribed by each special partner; (5) the period of commencement and termination of the partnership. This certificate is to be signed by all the partners before a notary public and is to be filed in the office of the county court clerk. The continuance of a partnership beyond the time mentioned in the original certificate must also be duly certified. Every alteration made in the names of the partners, in the nature of the business, or in the capital or shares thereof, or in any other matters specified in the

original certificate shall be deemed a dissolution of the partnership, and every such partnership carried on after any such alteration has been made shall be deemed a general partnership. All business is carried on in the firm name in which the names of the general partners alone appear. This Act is very strictly construed, and failure to comply with its terms renders a special partner liable as a general partner. (R. S. O. 129.)

No Law exists in this Province requiring Commercial Travelers to take out a license.

## COLLECTION AND ASSIGNMENT LAWS IN QUEBEC.

**Assignments.**—Any creditor may make a demand on a debtor to make an assignment or "cession," if debtor refuses then *capias* may issue. A debtor may be compelled by issue of writ of *capias* to make a "cession" or assignment of his estate to a curator appointed by the court, on advice of a meeting of creditors. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

**Attachments.**—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**Chattel Mortgages.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**Commissions.**—Commissions can issue from the circuit court and superior court.

**Conditional Sales.**—The courts recognize and protect contracts, whereby the thing sold remains the property of the unpaid vendor, until all instalments of the sale price have been paid. This applies to contracts in use with regard to the sale of machinery, sewing machines, pianos and other articles of

that kind on time, with payments by instalments. In cases arising out of such contracts, the courts here have held that the vendor had a right, on the failure of the person to whom the article was sold, to recover back his machine or article, or whatever it may be, against the claims of the creditors of the purchaser.

**Contracts of Married Women.**—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

**Execution.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. But where the judgment is entered for goods sold and delivered or upon promissory notes, &c., the execution may issue eight days after judgment. Execution can only be stayed by opposition of defendant, supported by affidavit which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day men-

tioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

**Exemptions.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value \$40. One cow, four sheep, two hogs and food therefore for thirty days; Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

**Holidays.**—New Year's Day, Epiphany, Ash Wednesday, Annunciation, Good Friday, Easter Monday, Ascension, Corpus Christi, S.S. Peter and Paul, All Saints, Conception, Christmas, the Birthday of the Sovereign, and 1st of July, are legal holidays. Negotiable paper falling due on those days or on a Sunday are due only the day after and must be protested then.

**Interest.**—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

**Judgments.**—Judgments may be obtained at any time in default cases, but if the defendant appears by attorney, judgment cannot

be entered between July 1st and August 31st. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. Special provisions relating to actions based upon commercial contracts, are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**Jurisdiction of Courts.**—Circuit court up to \$100; superior courts, all amounts above \$100; notes and accounts are outlawed in five years.

**Licenses.**—Commercial travelers are not required to take out a license.

**Mechanics' Liens.**—The only thing of this kind we have in the Province of Quebec is the builder's privilege, under which the laborer, workman, supplier of materials and builder may exercise a privilege upon the real estate property improved by their work during the whole time they are occupied at the work without registration, and with registration provided it be registered within thirty days after the completion or cessation of the work.

**Verification of Accounts.**—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.

# COLLECTION AND ASSIGNMENT LAWS IN NEW BRUNSWICK.

**Arrest.**—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

**Assignments.**—Until the passing of the Act N. B., 58 Vic., cap. 6, a debtor could make an assignment by deed to trustees for the benefit of his creditors giving preferences if he so desired. By this Act, which was passed on the 5th of March, 1895, and came into force at that date, no person being at the time insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and carefully prepared synopsis of the same may be found.

**Attachments.**—The property of an absconding, absent or concealed debtor upon application of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See Garnishee.)

**Chattel Mortgages or Bills of Sale.**—They require to be filed within 30 days of the date of execution otherwise are void as against third parties and must be renewed every 12 months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages of vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

**Commissions.**—Commissions to take evidence are issued from courts of record, viz:—the supreme and county courts.

**Executions.**—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

**Exemptions.**—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

**Garnishee.**—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due ex-

ceeds \$80, may obtain an attaching order, garnisheeing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of \$20, exempt from garnishment.

**Interest.**—If no rate be mentioned six per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account, unless by agreement to that effect. Bills and notes carry interest after their maturity; judgments also carry interest at the rate of six per cent.

**Judgments.**—Judgments are obtained in county courts, if no defence, in thirty days, and in Supreme court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within twenty days after service upon him. If the defendant appears to a writ of summons so specially endorsed the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debtor cause of action, and stating that in his belief there is no defence to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defence to the action on the merits, or discloses such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

**Jurisdiction of Courts.**—Magistrates \$20; in tort \$3; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort; supreme court \$400 and upwards.

**Legal Holidays.**—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day (July 1), Christmas Day and any day appointed by proclamation for a public holiday or general thanksgiving. If any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

**Limitations.**—Notes and accounts are barred by statute in six years.

**Married Women.**—Are incompetent to make binding contracts on themselves or their property; neither can the husband sell or convey the separate property of his wife without her consent; but if she be deserted or abandoned by her husband, or compelled

to support herself, she may dispose of her property as if she were *feme sole*. Her real and personal property, except such as may have been received from her husband, is exempt from seizure for debts or liabilities of her husband. Her separate property is liable for her own debts contracted before marriage, and for judgments recovered against her husband for her wrongs, *i. e.*, wrongs committed by her. There has, however, been an act passed in the New Brunswick Legislature, which does not go into operation until the 1st of January, A. D. 1896, whereby a married woman may hold real and personal property as if a *feme sole*, and may bind her separate estate by contracts, and may sue or be sued alone.

**Mechanics' Liens.**—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim of lien must be registered in the office of the registrar of deeds, and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable.

**Partnerships.**—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every

day's neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 97.

**Limited Partnerships.**—Limited partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or more special partners. The special partners contribute to the common stock a specific sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of residence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not so made the partnership shall be deemed general. The business of the partnership must be conducted by the general partners under such firm name as they shall adopt, and if the name of any special partner be used as such firm name, or part of the same, with his consent and privity, and without the addition thereto of the words "special partner" he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B., 52 Vic., cap. 4.

**Verification of Accounts.**—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

## COLLECTION AND ASSIGNMENT LAWS IN NOVA SCOTIA.

**Assignments.**—Assignments may be made as at common law. Preferences are allowed. The insolvency law has been repealed.

**Attachments.**—Attachments are allowable only (1) In suits against absent or absconding debtors. (2) In suits against foreign companies doing business within the Province.

**Chattel Mortgages.**—All chattel mortgages must be filed in the registry of deeds office to make them operative against third parties, and they take effect from the date of filing only.

**Commissioners to take Testimony.**—Orders to take evidence by commission may be obtained from any of our courts except those of justices of the peace.

**Contracts of Married Women.**—Married women are liable for all contracts made in respect of their separate earnings, business or

property, under the provisions of the "Married Woman's Property Act, 1884." This includes ante-nuptial contracts.

**Execution.**—Execution can issue immediately after judgment, unless expressly otherwise ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court.—Writ of execution is good for one year if not carried out, and it may be renewed at the expiration of the year.

**Exemptions.**—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family; stove and pipe, crane and appendages, andirons, cooking utensils, tongs, knives, forks, plates, teacups and saucers, shovel, table, chairs, milk-jug, teapot, spoons, spinning wheel and weaving-loom, if in ordinary domestic use; religious books, water bucket, axe, saw, and such fishing nets as are

in common use; all necessary fuel, meat, flour and vegetables for family use—enough for thirty days' consumption; tools and implements of debtor's occupation to value of \$30; one cow, two sheep, and one hog, and food therefor for thirty days. No real estate.

**Holidays.**—In all matters relating to bills of exchange the following are legal holidays:—Sundays, New Year's Day, Good Friday, Easter Monday and Christmas Day; also any day appointed a public holiday by the Governor or by a statute. When the last day of grace falls on a holiday, the next day shall be the last day of grace. The same law applies to presentation of bills of exchange and promissory notes.

**Interest.**—Interest cannot be charged on open accounts, except by arrangement, or an established course of dealing in which it has been paid or acknowledged by debtor.

**Judgments.**—Judgments may be obtained during the vacation of court. They can be obtained in ten days after service when the defendant resides in any part of Nova Scotia. When the defendant resides out of the Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the Court. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—Supreme Court has jurisdiction downwards to \$80, in all matters of contract. County court has jurisdiction in all matters of contract and tort where the amount claimed is not less than \$20 nor more than \$400 in contracts and \$200 in tort. Justices courts have jurisdiction in all matters *ex contractu* up to \$80.

**Mechanics' Lien.**—Mechanics may have a lien for work and materials furnished upon

45 Canada.

the estate of the person for whom it is done, by agreement with the latter, but the agreement must be filed in the office of the Registrar of Deeds. If the lien is claimed by a sub-contractor, the amount claimed in respect of the lien is limited to the amount payable to the contractor. In cases where the estate charged by the lien is a leasehold, the fee simple may also be charged with consent of the owner of the fee simple. All persons furnishing labor or materials for a contractor under written contract with the consent of the owner, and who shall notify the owner of the furnishing of the labor and materials within seven days after the furnishing of such labor and materials, have a lien. Unregistered liens cease after thirty days from the furnishing of the goods or labor unless proceedings are instituted to realize claim. Registered liens cease after ninety days from date of goods or labor last furnished, unless proceedings are taken. Claims may be sued for in supreme and county courts. Proceedings are begun by petition and writ of summons. In default of payment of amount sued for property may be sold. The lien holder's right of lien passes to the legal representative of the lien holder of the latter.

**Verification of Contracts.**—This is unnecessary.

## COMMERCIAL TRAVELERS' LICENSE LAWS.

In Halifax and several towns of the Province there is a law requiring licenses, but it is never enforced now.

## COLLECTION AND ASSIGNMENT LAWS PRINCE EDWARD ISLAND.

**Assignments.**— Preferential assignments can be made, if assignment absolute, possession of goods must be taken by grantee. If assignment is by way of chattel mortgage, same must be registered in county in which grantor resides and an affidavit by the grantee or his agent is required, stating that security was given *bona fide* for consideration stated and not to defeat other creditors. An execution creditor of mortgagor may pay mortgagee amount of his claim and sell goods under execution.

**Attachments.**—Debtors' lands or goods cannot be attached until after judgment unless debtor has absconded. In case of absent or absconding debtor property may be attached in supreme or county court as case may be. A bailable writ of *capias* may be issued out of supreme court against a debtor about to abscond, but a judge's order for same must be obtained upon an affidavit swearing to debt and setting out such facts and circumstances as will satisfy judge that debtor is about to leave Province for the purpose of defrauding creditor. *Capias* may be issued from county court for a debtor about to abscond for any sum over \$4, and up to \$150, upon affidavit of the debt and that plaintiff believes defendant is about to leave Province to evade payment of his debts.

**Exemptions.**—Necessary wearing apparel and bedding of a debtor and his family, and the tools or instruments of his trade or calling (£5 old currency), \$16.20 in money, and his

last cow, are exempt from execution out of supreme court. Wearing apparel and bedding of debtor and his family, the tools and implements of his trade, and one cooking stove and one cow, in all amounting to value of \$50, are exempt from process out of county court.

**Garnishee.**—A creditor may garnishee money owing to a debtor in the hands of a third party by process either in supreme or county courts.

**Judgments.**—Judgments in the supreme court bind real estate of defendants from date of entry; lands cannot be sold under county court judgments. Actions may be brought in supreme court for any sum not less than \$32. County courts have jurisdiction up to \$150.

**Licenses.**—Commercial travelers are required to take out a licence annually, and pay \$15 for it.

**Mechanics' Liens.**—Every mechanic, machinist, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, furnishing or placing machine, of any kind in, upon, or in connection with any building or erection, may have a lien for the price of such work, machinery or materials, upon such building or erection and the lands occupied thereby, by filing a claim in office of registrar of deeds, verified by oath, thirty days before completion of work.

# COLLECTION AND ASSIGNMENT LAWS IN MANITOBA AND N.W. TERRITORIES.

## MANITOBA.

**Arrest and Imprisonment for Debt.**—Is not now allowed in Manitoba.

**Assignments.**—No person being at the time insolvent, or on the eve of insolvency can make any gift, conveyance, assignment or transfer of any real or personal property to any of his creditors with intent to defraud, delay or defraud the others, but a debtor may give a real or valid security on real or personal estate provided it is given *bona fide*.

**Attachments.**—A judge's order for attachment is obtainable: (1) in suits against a resident debtor when the debtor is about to abscond or conceal himself; (2) in suits against a non-resident debtor when the cause of the action arises within the Province of Manitoba; (3) in any case when the debtor has or is about to fraudulently remove, transfer or secrete his property in this Province. Orders for attachment bind all of the debtor's personal property from the date of delivery to the sheriff of the order or attachment and all real property owned by the debtor is bound from the date of the registration of a certificate of the order for attachment.

**Bills of Exchange and Promissory Notes.**—These are governed by Dominion statutes as to days of grace, protest and notice. Notes do not bear interest unless expressed on the face until after maturity, from which period however the legal rate six per cent can be recovered.

**Chattel Mortgages and Bills of Sale of Chattels.**—Whether it is not an immediate and continued change of possession to be valid as against third parties, chattel mortgage and bills of sale must be verified by an affidavit of execution and of *bona fides*, and must be filed in the office of the clerk of the county court district where the goods are situated, and they operate against such third parties only from the date of filing. Chattel mortgages must fall due within two years from their date and to retain their priority they require to be refiled within thirty days before the expiration of two years from the date of filing. If a default be made in payment when due, chattel mortgages are collected by a summary seizure and sale of the goods mortgaged. Growing crops cannot now be mortgaged except for the price of seed grain.

**Commissions.**—Commissions can issue from all courts of record including county courts.

**Contracts of Married Women.**—Married women may contract with respect to their separate property and are liable on contracts to the same extent of *separate sol.* They may make notes and are liable thereon.

**Executions.**—In the superior courts, executions against goods are directed to the sheriff and may issue immediately upon obtaining judgment. There is no priority between execution creditors, and the sheriff distributes rateably all moneys realized from an execution debtor. An execution is good for two years, and may be kept in force by renewal every two years. Upon written request the sheriff is required to make a return

at any time. Lands are not liable to execution but certificates of judgments may be registered and proceedings taken thereon to sell the debtor's lands. In county courts executions are in six days after judgment and is good for one year, but may be renewed from year to year.

**Exemptions.**—(1) Household goods to the value of \$500; (2) necessary and ordinary clothing of the debtor and his family; (3) twelve volumes of books and all the books of a professional man; (4) necessary food for eleven months; (5) three oxen, horses or mules when used by the debtor in earning his living, six cows, ten sheep, ten pigs, fifty fowls, and food for the same for eleven months; (6) notes and seed, etc., for eighty acres; (7) tools, agricultural implements and necessities used by the debtor in his trade, occupation or profession, to the value of \$500; (8) farm homestead to the extent of 60 acres being the actual residence of the debtor, the buildings and improvements thereon, or the town residence of the debtor to the value of \$1,500, provided that no real or personal property shall be exempt from seizure or sale under execution for the purchase price of the same. A debtor cannot waive his exemptions from seizure or sale under execution and any attempt to do so is liable to violate the whole agreement.

**Foreign Corporations.**—To entitle foreign corporations to a legal status in this Province a license must be taken out under the provincial statutes. To obtain such a license a corporation must file with the provincial secretary a certified copy of their charter with evidence of its present existence and the legal powers of the company, and a copy of the last auditor's report; a power of attorney to the company's agent in Manitoba signed by the president and secretary, and sealed, must also be filed. This power of attorney must authorize the agent to accept service of all legal proceedings instituted in Manitoba.

**Interest.**—May be recovered on open accounts, from and after demand of payment and notice that interest will be charged if the account be not paid.

**Judgments.**—In superior courts where no defence is entered judgment and execution can be obtained in sixteen (16) days from service of the statement of claim on a resident debtor. In contested cases from one to three months is required to obtain judgment. In county courts judgment is obtained in ten days by default or one month when defended. Judgments in both courts are good for ten years.

**Jurisdiction of Courts.**—The Court of Queen's Bench for Manitoba is the superior court of record. The jurisdiction is unlimited. The county courts are inferior courts of record and are presided over by different judges. There are thirty-five county court districts in the Province. The jurisdiction is limited to \$400. Magistrates and justices of the peace courts are not courts of record, and are for the administration of petty justice summarily. They derive their authority from

specific statutes and the jurisdiction varies in each statute.

**Legal Holidays.**—These are Sundays; New Year's Day; Good Friday; Christmas Day; Dominion Day; Queen's Birth Day; Thanksgiving Day; Labor Day and Arbor Day. Notes falling due on these days are legally due the next day not a holiday.

**Lien Notes.**—Vendors, by agreement, may retain the right to possession and the title to goods bargained for, provided the manufacturer has the manufacturer's name or some other distinguishing mark attached, and on default in payment the vendor may summarily retake the article bargained for without legal process. These agreements must be in writing but need not be registered.

**Mechanics' Liens.**—Unless he shall have agreed to the contrary, every mechanic, machinist, builder, miner, laborer or other person doing work upon or furnishing material to be used in the construction or repair of any building or erection or erecting furnishing or placing machinery of any kind in or upon or in connection with any public building erection or mine shall by virtue of being so employed or furnishing have a lien or charge for the price of such work, machinery or material upon such building, erection or mine and the land occupied thereby or connected therewith for any sum exceeding \$2, and shall only attach in the interest of the owner, at whose request, expressed or implied, the work was done or material furnished; a statement of the claim verified by affidavit must be registered in the registry office within thirty days after the completion of the work for which the same is made and must contain: (1) The name and residence of the claimant and of the reputed owner of the property, and also the name of the person for whom the work was done or material supplied; (2) particulars of the work done or material supplied; (3) the sum claimed; (4) the description of the property charged. Proceedings to realize on this registration lien must be commenced in court within ninety days after completion of the work or delivery of materials and a certificate of such proceedings must be exhibited. On making these proceedings the court adjoins a summary mode of realizing on the claimant's lien.

**Verification of Accounts.**—Verification is of no use, and accounts and claims must be proved by admission of the defendant or by evidence of witnesses examined in court, or their evidence can be taken by commission if non-resident, or sick, or absent. Promissory notes and acceptances operate as admissions.

There is no Provincial law of Manitoba requesting commercial travellers to take out licenses.

## NORTHWEST TERRITORIES.

**Imprisonment for Debt.**—Is not allowed in the Territories, nor is there any provision for the arrest of a debtor who is about to abscond from the Territories, or to depart with intention of defrauding creditors.

**Assignments.**—No trader can make a voluntary assignment preferring certain creditors. Any such assignment can be set aside as fraudulent. Any person may make an assignment for the purpose of distributing his estate rateably among all his creditors.

**Attachments.**—All the personal property and effects of a debtor liable to seizure under execution may be attached: (a) When the debtor has absconded from the Territories leaving personal property therein liable to

seizure under execution for debt, or (b) has attempted to remove such personal property out of the Territories, or to sell or dispose of the same with intent to defraud his creditors generally or the plaintiff in particular, or (c) keeps concealed to avoid service of process. The writ issues, upon affidavit of the creditor, his servant, or agent, setting out grounds, supported by affidavit of one other credible person.

**Bills of Exchange and Promissory Notes.**—These are governed by laws of the Dominion as to days of grace, protest, and notice. Notes do not bear interest until after maturity, unless otherwise expressed on face. Interest allowed at six per cent. after maturity unless otherwise expressed.

**Chattel Mortgages.**—Must be filed within 15 days from date of execution, and are only valid for one year from date, but may be renewed from year to year. Such renewal must be made within 30 days from expiration of year. Chattel mortgages must be filed in the office of the clerk of the registration district in which goods are situate.

**Commissions.**—May issue from the Supreme Court of the Northwest Territories in any suit pending therein, where witness is outside the Territories. Costs of commission will be allowed to successful party.

**Executions.**—Can issue on all judgments at expiration of 15 days from date of judgment, unless otherwise ordered by judge, who can direct execution to issue at any time. Executions bind the goods of debtor from time of delivery to sheriff, and his lands from registration. Lands cannot be sold under execution against lands, until expiration of one year from time of delivery to sheriff. Executions expire at one year from date of issue, unless renewed before that time. No execution against lands will be issued, unless amount of judgment debt and costs exceeds \$50.

**Exemptions.** The following are the exemptions from seizure under all writs of execution issued by any court in the Territories: (1) The necessary and ordinary clothing of the defendant and his family; (2) furniture and household furnishing belonging to defendant and his family to the value of \$50; (3) the necessary food for the defendant's family during six months, which may include grain, flour, vegetables, and meat prepared for use or on foot; (4) two cows, two oxen and one horse, or three horses or mules, six sheep and two pigs, besides the animals chosen for food purposes, and food for same for winter months; (5) the harness for three animals, one wagon or two carts, one plow or cradle, and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sewing machine, and one reaper or binder; (6) the books of a professional man; (7) the tools and necessities used by the defendant in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre and fourteen bushels potatoes; (9) the homestead of the defendant, provided it does not exceed 160 acres—if more, the surplus may be sold subject to any incumbrance thereon; (10) the house and building occupied by the defendant, also the lot or lots on which the same are situate according to the registered plan, of the same, to the extent of \$1,500; the defendant is entitled to his choice from a greater number of articles of same class.

**Interest.**—May be recovered on open accounts from and after demand of payment, and notice that interest will be charged if account not paid. Legal rate of interest is six per cent.

**Judgments.**—In all cases writ of summons may be issued, returnable ten days after service where defendant resides in same district, and twenty days where he resides in another district. If defendant does not before return day file with the clerk an appearance, and within six days thereafter file a defence, the plaintiff may sign judgment after return day. Judgments are goods for twenty years from date.

**Jurisdiction of Court.**—The Supreme Court of the Northwest Territories is the

only Civil Court in the Territories and has jurisdiction in all civil cases. The judicial districts of the courts are: The Northwestern Territories, Western Assiniboia, Eastern Assiniboia, Southern Alberta, Northern Alberta, Saskatchewan.

**Verification of Accounts.**—All accounts and claims must be proved by oral evidence (by commission if necessary) if the defendant disputes the claim. In other cases judgment is obtained by default, or affidavit, if defence is only for time.

# COLLECTION AND ASSIGNMENT LAWS IN BRITISH COLUMBIA

**Actions**—May be brought by or against a firm in the firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes) is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, by default. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defence which should be tried in the ordinary way. Actions in the County Court are commenced by a summons which must be served ten clear days before the return day. County courts sit every month and have jurisdiction up to \$1,000.

**Appeals**—May be taken to the Supreme Court within four months after judgment, or in county court cases to two judges of the Supreme Court upon notice within ten days after judgment.

**Arrest**.—A debtor in a sum exceeding \$100 may be arrested upon an affidavit that he is about to quit the province, or has parted with his property to defraud his creditors. A judge of a county court may, under a judgment summons, commit the defendant in default of payment if he has transferred his property fraudulently or does not satisfactorily account for same.

**Assignments**.—There are no insolvency or bankruptcy laws in force. Assignments of debts must be in writing and notice in writing given to the debtor. Preferential assignments or cognovits, giving one creditor priority are void as against other creditors. A debtor may make a general assignment to a trustee or trustees for the benefit of creditors, rateably and proportionately. Such deed of assignment must be registered forthwith in each of the land registry offices in the Province, but shall not take effect until recorded in the office for the district where debtor resides or has his principal place of business. Trustees shall publish notice of deed within fourteen days from execution by debtor.

**Attachments**.—No original attachment, except where debtor has absconded leaving

property. After judgment, debts due or accruing due to the debtor may be garnisheed.

**Chattel Mortgages.**—Must be registered within twenty-one days after date of execution. If affecting property on Vancouver Island, with the Registrar General of Titles at Victoria, if affecting property on mainland within any established land registry district, in the office of such registry, if elsewhere on the mainland, in the office of stipendary magistrate of the district where the property is situate, or with such other person as may be named. If not so registered does not take effect as against creditors of mortgagor.

**Executions.**—May issue immediately after judgment in the Supreme Court, or after fourteen days in the County Court, unless otherwise ordered. Lands may be sold by execution.

**Exemptions.**—Personal property of debtor to the value of \$500 is exempt from execution. No goods or personality, however, is exempt from seizure in respect to debts contracted in regard to the identical goods. Registered homesteads are exempt from execution to the value of \$2,500.

**Garnishee.**—A creditor may garnishee money owing to a debtor by a third party, both before and after judgment in the County Court, and after judgment only in the Supreme Court.

**Interest.**—Where not otherwise agreed upon, and where due by law, is six per cent. No usury law.

**Judgments.**—If registered, are a lien upon all lands, and interest in lands then or there-

after owned by the defendant. Registration must be renewed every three years.

**Liens.**—Unless there is an agreement the contrary, every contractor, sub contractor and laborer has a lien for work and labor limited in amount to the sum actually owing to the person entitled to the lien. Lien takes precedence, unless registered thirty-one days after completion of work. If lien is on mortgaged premises it is prior to mortgage, against increase of value of mortgaged premises on reason of such work or improvement, but no further, unless work is done at request of mortgagee in writing.

**Limitation of Actions.**—Six years for simple contracts, and twenty years for specialties.

**Married Women.**—Have the same powers in respect to their separate property, or earnings, or rents, as a *feme sole*.

**Partnership, General—Registration.**—All general partnerships must be registered within three months next after formation of firm.

**Sales, Conditional, of Chattels.**—All receipt notes or hire receipts or order for chattels, when the condition of the bailment is such that the possession of chattels would pass without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money, or some stipulated part thereof, are void as against subsequent purchasers or mortgagees, unless registered within twenty-one days after the bailment.

The absence of a Rating, whether of capital or credit, indicates those whose business and investments render it difficult to rate satisfactorily to ourselves. We therefore prefer, in justice to these, to give the detailed reports on record at our Offices.
